

COQUINA BAR HEIGHT CHAIR

Specifications

Seat Height (in)	31
Overall Height (in)	45
Seat Width (in)	19
Footprint (in)	21.5x26

Unwind in the Coquina sling bar height chair, its modern design adds style to any outdoor space. The chair features a durable all-weather sling seat and back that stays cool on warm afternoons and dries quickly after a summer rain. Built with a commercial-grade aluminum frame, it can withstand daily use and ensure long-lasting durability.
