The Oakmont outdoor cushion loveseat is a stylish and comfortable addition to any outdoor area. Made with commercial-grade materials, this loveseat is built to withstand the elements and provide guests with a comfortable seating option. The modern design, featuring plush Sunbrella cushions and clean lines, adds a touch of sophistication to your outdoor space.

Sunbrella is a brand of high-quality, durable outdoor fabric that is made from 100% solution-dyed acrylic fibers, making it resistant to fading, mildew, and water.
