The Oakmont 3-place outdoor sofa is a stylish and functional sofa that provides comfortable seating for up to three people, making it ideal for entertaining guests or simply enjoying your own private oasis. The Oakmont sofa features a sleek, angular frame made from durable aluminum and finished with a beautiful powder coating. The frame is paired with premium quality Sunbrella fabric upholstery, engineered to withstand the elements.

Sunbrella is a brand of high-quality, durable outdoor fabric that is made from 100% solution-dyed acrylic fibers, making it resistant to fading, mildew, and water.
